Award-winning plugins for Final Cut Pro X. We may have the world's most comprehensive set of transition packages, but there are still occasions when you need something extra. That's where these transition packs come in. These transitions were created by a team of industry veterans led by Motion Squared, a production company dedicated to developing high-quality content and tools for Apple FCPX that span from tutorials to plugins and presets. Each pack contains a series of fully-customisable transitions for Final Cut Pro X, made by Motion Squared and their team of designers. These packs are available in both FCPX Project and .PNG formats for use in Final Cut Pro X. Motion Squared was founded in 2010 with the aim of creating high quality tools and tutorials for Apple's FCPX software. The company has won multiple awards for its work since its inception, and has also been recognised as one of the top 5 Final Cut Pro X developer teams by Apple Inc. 2009 BAFTA (Broadcast & Online Media Awards)- Nominated for 'Best New Product' in Broadcast and Online Media.
